Journal of Management and Operation Research is an open access journal that strives for inclusivity and global reach. The broad scope of the journal creates a perfect environment to foster connections between researchers across all areas of business and management research, from banking, finance, marketing to operations research. A range of article types are accepted, including reviews, letters and replication studies.

WHO WE ARE

We believe in serving the needs of researchers so they are able to focus on making a difference through their research.

[LEARN MORE](#)

WHY PUBLISH OPEN ACCESS

A lot of time, commitment and effort goes in to producing a piece of scholarly work. This effort deserves to be seen, read and appreciated.

[LEARN MORE](#)

ABOUT THE JOURNAL

Publishing with us means you will receive fast and reliable publishing and a global platform for your research to reach its full potential.
